For the ones that we have not yet discussed, I drafted potential action items.**

Hi, All,

We will continue to discuss our responses to comments on the test of the MVP of the eClearance System. I have scheduled two additional meetings (besides this one), just in case we need additional time to go through all of the comments. But, we will try to get through the comments as quickly as possible and may not need all of the scheduled meetings.

For folks in the DC area: we will be in conference room 51161 on the 5<sup>th</sup> floor of the Ronald Reagan Building.
